Subject: RE: Marth pellet analysis

Andrew,

Yes, we are PFI Certified, our certification numbers are 16005 for Peshtigo and 16006 for Marathon. For cost reduction in printing of the bags, either facility can use either of the certification numbers. To differentiate, you need to look at the code dates stamped on the bag.

Stats for Marathon facility:

YTD average on BTU is 8160.

YTD average on ash is 56.3%.

We do not test for carbon, hydrogen or oxygen. This is not required by PFI or any other standard.

Thank you.
